

North Carolina Veterinary Disclosure

(Please read carefully before signing)

Paws Mobile Veterinary Clinic is a house call practice with business hours by appointment only.

We do not provide any hospitalization services, and all after hours emergencies are referred directly to your nearest veterinary emergency clinic. As a house call practice, we are not equipped to handle emergencies. If you have an emergency during the day, please contact your nearest veterinary hospital or emergency clinic immediately.

Any procedures that require anesthesia or radiographs will be referred to a full-service, stationary facility as Paws Mobile does not perform any surgery or x-rays.

Our business hours are Monday through Friday from 8:00 a.m. to 4:00 p.m. We are closed on weekends and holidays.

Paws Mobile reserves the right to cancel and reschedule any appointment due to inclement weather.

I have read this form and am aware of the above limitations and office hours of this house call practice:
